

# WCSD Board Meeting & CCWD Town Hall Meeting

---

July 19, 2023 at 7:00 PM

At the conclusion our next Wallace Community Services District Board Meeting, We will be holding a Town Hall Meeting with the Calaveras County Water District to go over the status of the Ordinance 2012-01 that ended the special assessment and the plans that will allow our two districts to work together to improve our community water services and our lake as well.

This will be an opportunity for us to hear firsthand from CCWD officials on a variety of topics and glimpse into the CCWD's Strategic Plan and how it relates to our community. A question-and-answer period concludes the meeting as well. So, reserve the date and time and let's make this a meeting not to be missed.
