Wallace Lake Estates

Dear members of Wallace Lake Estates,

This letter serves as notice of a scheduled pesticide application at the property listed above, in accordance with Title 3, California Code of Regulations, Section 6618 (B).

The scheduled application information is as follows:

- Date notice was sent/given to property manager: 11/24/26
- Date of application: 11/27/26
- Estimated start time: 9 AM
- Estimated end time: 4:30 PM
- Pesticide product name(s), common chemical name(s), and active ingredient(s): Laramie 25DF, Dithyopyr 2 EW, Diuron 4L, Roundup Pro Concentrate
- Spray adjuvants, if applicable: Super 7
- Area to be treated: Roadsides, Walking paths, and fire service roads.
- Precautions/restrictions: **Do not** enter the treated area until the chemical has dried

Pursuant to 3 CCR 6618 (B), as the operator of the property, I am responsible for ensuring that notice is given to persons who are on the property or may enter during the application period or while any entry restrictions remain in effect.

If you need a copy of the product label, safety precautions, or any additional information needed for resident or occupant notification, please contact Foothill Sierra Pest Control at (209) 532-7378 Ex. 1.
